

GUARDA VAL

GOURMET RESTAURANT

Allegra with us in Guarda Val, dear guests

Winter has wrapped the picturesque Guarda Val in its soft, white blanket. The snow-covered landscape sparkles in the light of the low winter sun, while crisp, cold days invite you to indulge in delightful moments in the Sporzer kitchen and by the crackling fireplace.

This is the perfect season to explore our two seasonal menus, *«Patria»* and *«Verdura»*, or for groups of two or more, experience the craftsmanship of carving and flambéing through our service, and enjoy the Sporzer cuisine in the romantic hamlet.

Tradition meets innovation – here, craftsmanship is lived, perfection is pursued, and time refines it. During the cold season, our love for gastronomy is presented in its warmest and most hearty form.

This evening, Paul Berberich and Luka Korenjak, along with their dedicated teams from the kitchen and service, will guide you through a culinary journey. The focus is on flavorful, aromatic creations – sometimes rustic, sometimes refined, but always surprising. Thanks to your feedback, we continue to reshape Sporzer gourmet cuisine.

We wish you an unforgettable winter experience, cozy moments with your loved ones, and a wonderful evening – or, as our suppliers would say, *«ina biala saira»*.

Enjoy!
